Electroair Acquisition Corporation
5097 Williams Lake Road
Waterford, MI 48329

*certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part * of the * Regulations.**

*Original Product--Type Certificate Number: **

*Make: **

*Model: **

* See attached FAA Approved Model List (AML) No. SA03286CH for list of approved airplane models and applicable airworthiness regulations.

Description of Type Design Change:

Install an electronic engine ignition system in accordance with Electroair Acquisition Corp Installation Manual, IM EIS-61000, revision 11, dated March 20, 2018, or later FAA approved revision.

Limitations and Conditions:

1. The installer must determine whether this design change is compatible with previously approved modifications.
2. Installation of Electroair Acquisition Corporation STC SE04577CH is required for installations of this STC completed after December 28, 2022.
3. A copy of this Certificate and FAA Approved Model List (AML) No. SA03286CH, issued July 18, 2018, or later FAA approved revision, must be maintained as part of the permanent records for the modified aircraft.
4. FAA Approved Aircraft Flight Manual Supplement, AFMS EIS-61000 Rev 06, approved June 18, 2018, or later FAA approved revision is required.
5. FAA Accepted Instructions for Continued Airworthiness, ICA EIS-61000, Revision 11, dated March 20, 2018, or later FAA accepted revision is required for this modification.
6. If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation

Date of application: December 4, 2012
